Waste Size 32mm (Freeflow)

Waste Included Taphole No

Material Solid Surface

Notes 35mm tap hole drill bit supplied

Cleaning and Maintenance For every-day cleaning simply wipe down with a soft wet cloth to remove any surface dirt. For tougher marks use the supplied White Magic sponge with water, followed by a dry towel to dry the surface. To remove stubborn stains a small amount of Jif can be used, then wipe down again with the soft wet cloth and followed again by a dry towel to dry the surface. Never use Acetone, paint thinners or anything similar as these can damage the surface. Personal hygiene products will not damage the surface.

Minerva 900 Basin

Code: WP900B

Building Product Information Requirements (BPIR)

Plumbline Manufacturer

Building Code Clauses B2 (Durability) B2.3.1 (c) / G13 (Foul Water) G13.3.1
