Other Information	Can be used as either a bench for a vessel basin and/or a shelf below
Cleaning and Maintenance	For every-day cleaning simply wipe down with a soft wet cloth to remove any surface dirt. For tougher marks use the supplied White Magic sponge with water, followed by a dry towel to dry the surface. To remove stubborn stains a small amount of Jif can be used, then wipe down again with the soft wet cloth and followed again by a dry towel to dry the surface. Never use Acetone, paint thinners or anything similar as these can damage the surface. Personal hygiene products will not damage the surface.
